

AI BUSINESS LEADERS CIRCLE

www.rialtoconsultancy.com

+44 (0) 20 3746 2960

AI is not just a technology issue, it's a strategic imperative and a key component of a new era the world is moving into - the second industrial revolution.

Executives who join our AI Business Leaders Circle position themselves not just to adapt, but to lead in the AI age.

Membership to the AI Business Leaders Circle, includes exclusive access to private AI briefings held in the House of Lords.

Led by the All-Party Parliamentary Group on AI, this initiative brings together parliamentarians, business leaders, policymakers, AI experts and academics to explore the real-world impact of AI across sectors.

This is your opportunity to contribute to the national conversation on AI, gain strategic foresight on its emerging commercial implications, and ensure you're at the forefront where AI decision making is being discussed.

WHAT'S INCLUDED

Summary briefing papers of key AI trends and adoption.

Developments in AI occur swiftly and often. It can be difficult to keep track of who is doing what or where the major investments are being made. Our bi-annual briefing papers include an overview of the latest developments, trends, statistics, growing global investments, and latest news on AI adoption.

Latest edition of the AI Strategy for Sales and Marketing

Covers strategy, AI adoption rates, ROI case studies across sectors, proofs of concept, key vendors, macro issues and more.

Membership of the All-Party Parliamentary Group on AI (APPG AI)

This provides highly valuable opportunities to shape the future of AI. You'll be in the room where decisions are made and hear exclusive evidence from eminent global advisors whilst networking with business leaders from major corporations, entrepreneurs, investors, academics, and policymakers. This includes access to co-chairs Allison Gardner MP and Lord Tim Clement-Jones, as well as other dignitaries and policymakers. Meetings are held at the House of Lords and membership includes access to a secure members-only website featuring networking resources, reports, videos, meeting summaries, and strategic tools.
